

Morning Prayer: Jesus thank you for my mom, dad, grandparents, brothers and sisters. I might not know them all or I might have trouble with this part of my life, but I want to give it to you today.

Jesus I also ask that you open my heart to what it is You have for me. What do You want to say to me? Teach me how to hear You talk when I need to hear You. Jesus I confess to You that sometimes I just feel like I don't know You or are not good enough to be around You. Break off those lies Jesus and teach me what it means to be "Dangerous for Good." -Amen

"No KOZ Left Behind" I solemnly pledge under oath that I will never leave my KOZ brothers behind. I will always be kind to them, help them when they look like they have too much, run to them when they yell for help, give them the best seat and first chance at everything. They are my brother's; we fight trouble together.

KOZ Prayer: Lord, thank you for making us strong and fierce warriors for you. We hunt, we fish and we share our faith with others. God Bless America, Amen.
